NARBONNE HIGH SCHOOL

24300 South Western Avenue
Harbor City, California

GAUCHOS WELCOME NEW PRINCIPAL

Mr. Jack Hunt was president of his senior class, an All-City star in the 100-and 220-yard dash and an officer aboard the USS Portland during World War 2.

Narbonne's new principal was the State College Champion in the 100-yard dash, gained the Outstanding Student-Teacher Award at U.S.C., and now has two sons and two daughters.

He taught business at Bell High and coached football, basketball and track; he taught at Washington High and acted as Coordinator of Student Activities.

He was vice-principal at Foshay Junior High, and held the same post at Burroughs Junior High.

Moving up, he was principal at Gompers Junior High, then went on to hold the same post at Gardena High. He then served for two years as Administrative Coodinator of Area A.

He belongs to several community service groups, is a volunteer worker on local civic projects and a survivor of 50 years of L.A. smog.

This year, he added another feather to his cap by becoming principal at Narbonne High.

Mr. Hunt, eager to "get back to the kids" instead of being regulated to an administrative position at Area A, remarked that he "appreciates the cooperative attitude of the students and staff at Narbonne."

He enjoys golf, fishing, reading and loves football.

Having completed 25 years in public education, Mr. Hunt will celebrate his 26th year singing "Onward, Narbonne."

☺ **I LOVE YOU!**

Hello, Jim, I'm in LOVE with you! The moment our eyes met I knew that we were to be but one. You're the only one that is ever nice to be. But you never say "hi" to me. I'm so glad that you asked me to go to the banquet and I really had a "super-fantastic time"! You looked so SUPER-FOXY! Even though I didn't get any compliments from you! No I'm just teasing about that! Sometimes I wish that you weren't so shy. I had such a nice time that night and then I didn't even hear a hello from you but I still am in LOVE with you. You really a good kid, I LOVE YOU, I LOVE YOU, I LOVE YOU! But why are you so SHY?! I guess all the cuties are always the shy ones. I hope that you talk to me more often next year! (And SUMMER ☼ (A SUN) time too!!!) Don't be shy this mean a much next year, okay, you are so NICE; ☺! I really think that you are nicest person that I ever met. This is for reals I'm not kidding one bit! I'm so hap-hap-happy that I met you!!! Just think If it wasn't for your sister I would have never met you! I really want you to come and visit me during the summer time so we can talk (and some other things too, okay? gee that sounds dirty!!! I'm so glad that we were able to get together, even though it was only for one night. I'm so happy! I LOVE YOU! I feel so foolish that I write a whole page and cutie pie you just write a bitty-bitty bit! I really DO LIKE YOU!!!! But I feel so darn foolish writing all this and now I probably won't be able to face you! ☹! Anyway- please come down and say hello and maybe we can go to the beach once and a while. You really are a pal and I'm so hap-hap-happy that you will be my friend and I'll alway find you the most ★"FABULOUS"★ person in this whole world! please be good and if you do visit me, don't bring your sister! Not that I don't like her, but you know how things go!! You're a really fantastic person and I do love you! Be good over the ~~days~~ summer and "hang loose" you really are a nice person and now its time to say one, but please visit me. Oh yea, I'll watch you play tennis but yap!! Maybe I could practice playing tennis with you! And how about practicing other things!!!

Love + Kisses,
[illegible]
